

EXPORT

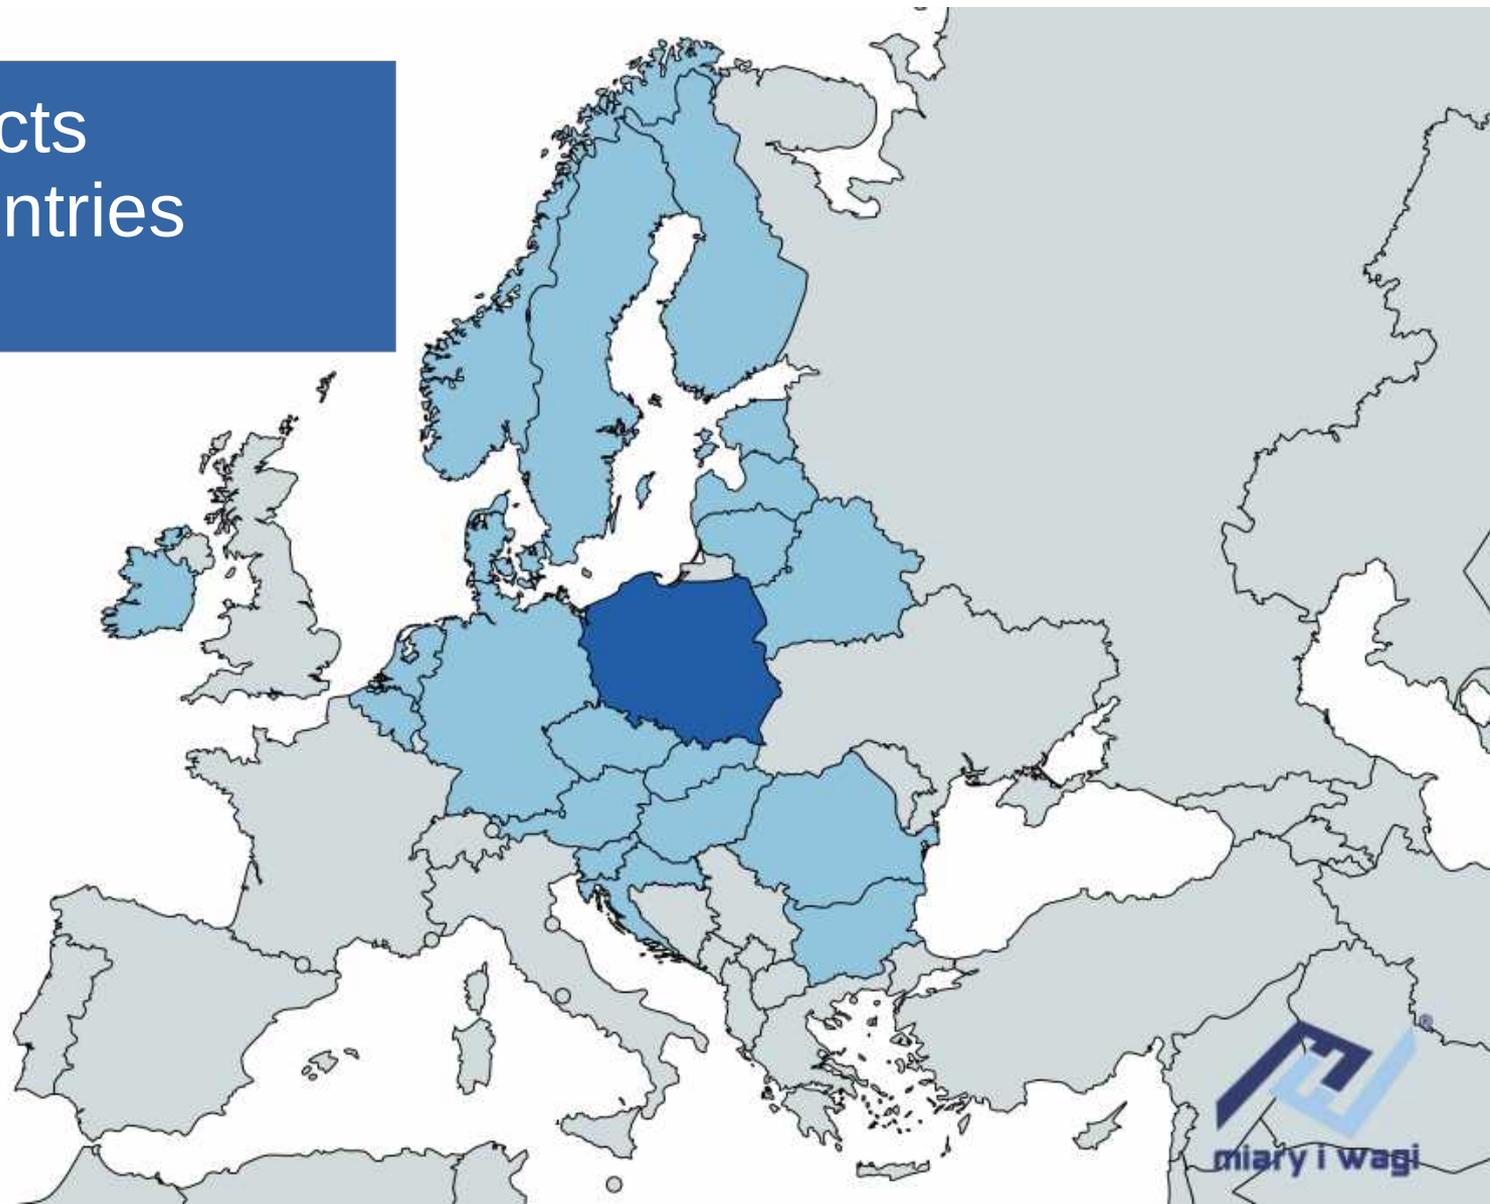

The United Pro scales in Tanzania

We export truck scales
mainly to European countries.
We also sent the scales to Africa.

We export products
to around 20 countries
in Europe

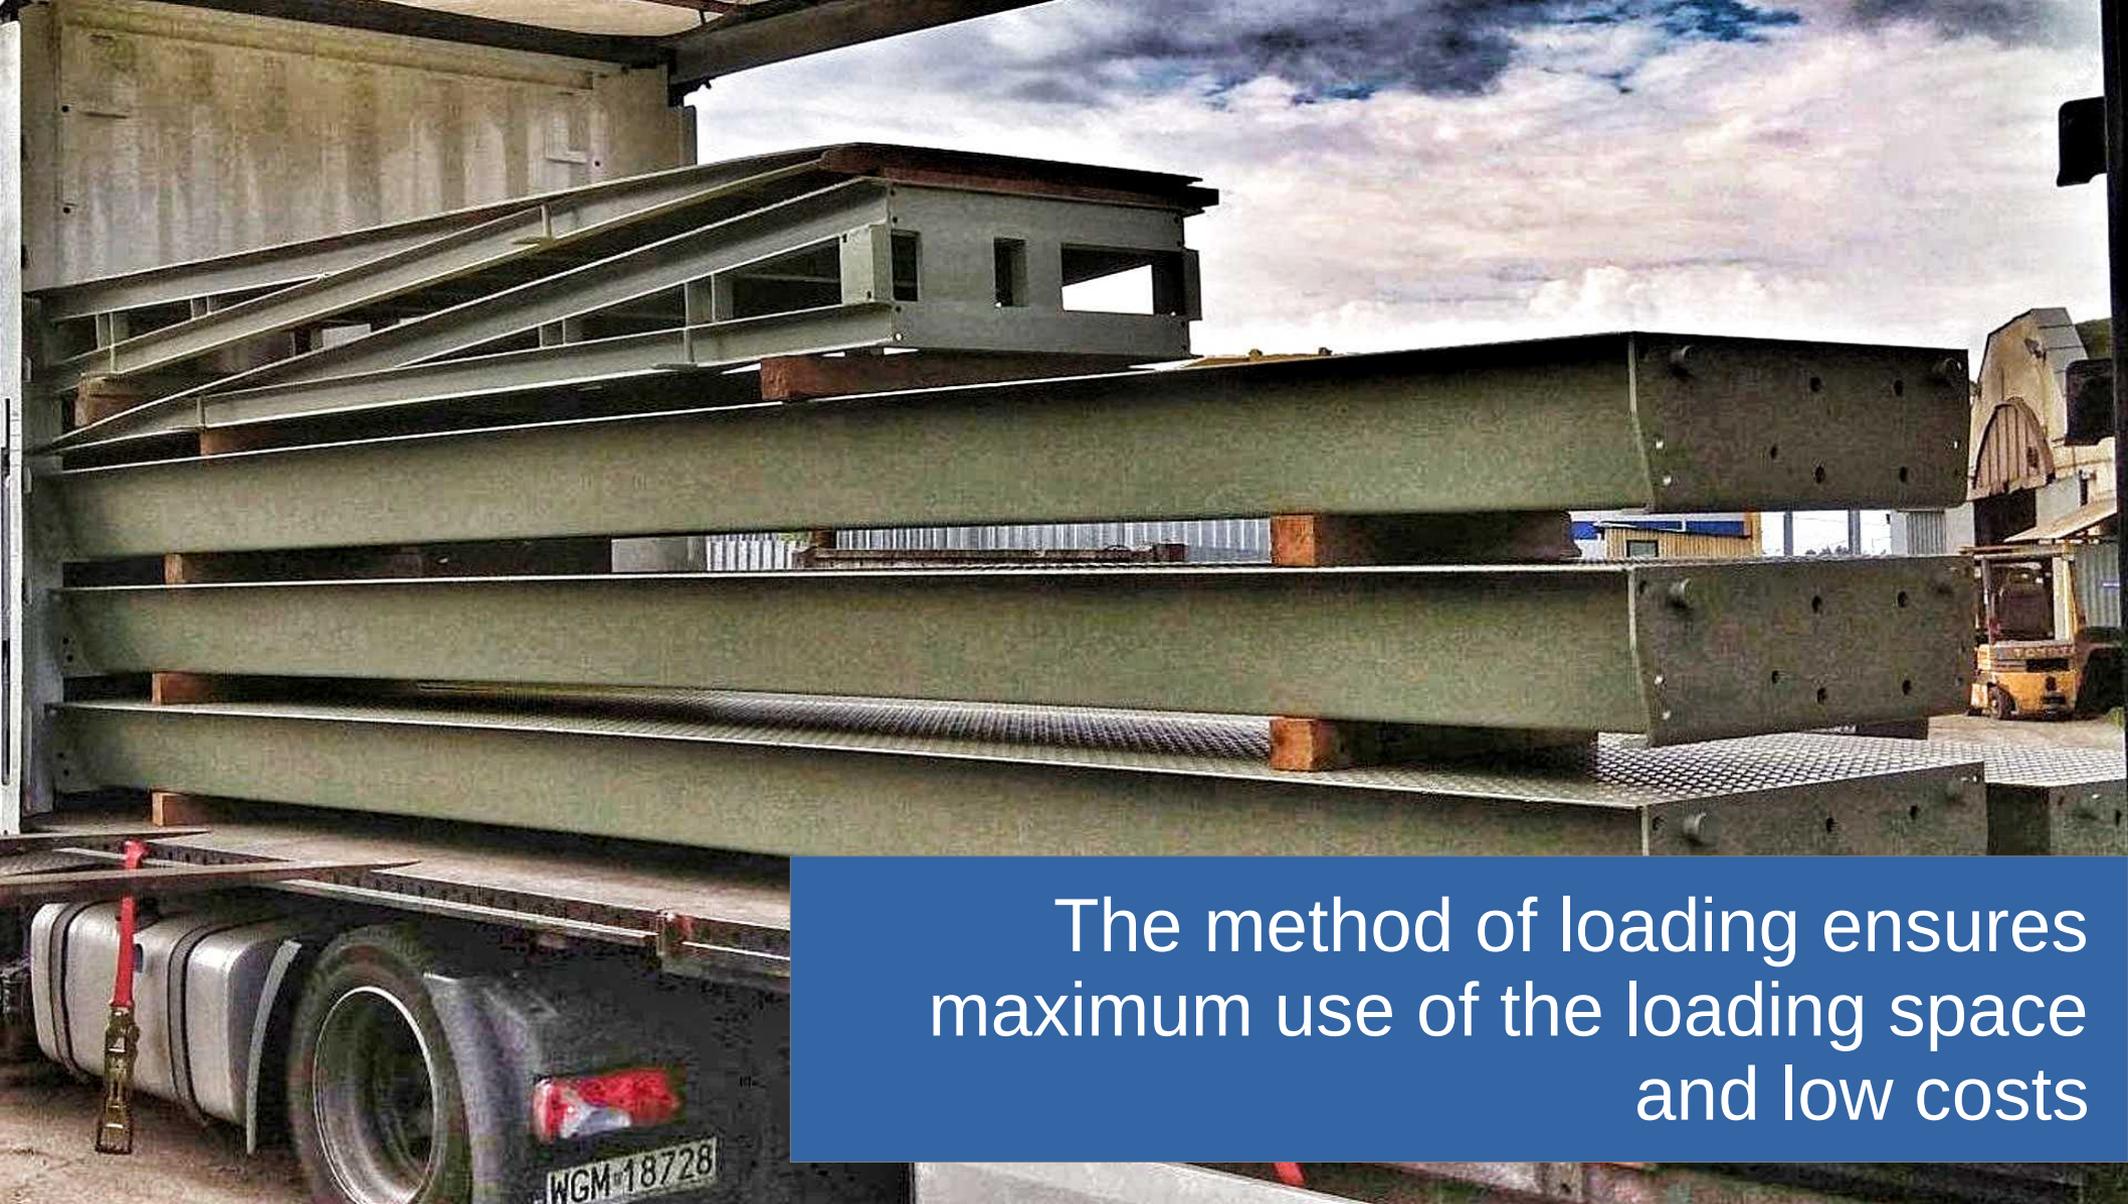

The main customers are from Germany, Austria, the Czech Republic, Hungary, the Netherlands and Lithuania.

We export every year
over 100 truck scales

The method of loading ensures maximum use of the loading space and low costs

The scales are delivered to European countries by road transport.
We organize transport on request.

Scales can also arrive
to customers by sea
in containers

Loading of United Pro
truck scales to Africa

The farthest European destinations
are Finland and Sweden.
We send scales with heated
platforms there.
